

ABCs of the Synergy of CBD, THC and HYP

October 25, 2019

9am-5pm

Holiday Inn Burlington

1068 Williston Road

South Burlington

Northeastern Mountain Society of Clinical Hypnosis Fall Workshop

Beyond talk therapy – you will learn when it's appropriate and how to be able to suggest CBD, THC and clinical hypnosis when talk therapy isn't enough. You will apply your new knowledge to a case presentation. There will also be a demonstration, where you will have the opportunity to experience self-hypnosis!
